

Back TO THE FUTURE

2026 CAHIP LA

MEDICARE SUMMIT

SPONSORSHIP OPPORTUNITIES

Great Scott! The Medicare industry is accelerating into the future and the 2026 CAHIP LA Medicare Summit is where brokers, carriers, advisors and industry partners come together to see what is next!

This year, we are going Back to the Future to explore where the Medicare marketplace is headed, how the role of the broker is evolving and what today's professionals need to succeed in tomorrow's landscape.

As a sponsor, your company will be positioned in front of a highly engaged audience from across Los Angeles, Ventura County and Santa Barbara. Sponsorship provides valuable visibility through event promotions, onsite recognition, networking opportunities, exhibitor access, ticket packages, and direct connection with the brokers and partners shaping the future of Medicare.

Join us and Accelerate Into the Future of Medicare!
